2. Smoking, except within an enclosed vehicle or building, a developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared to mineral soil.
3. Discharging, or using any kind of fireworks, tracer ammunition or other pyrotechnic devices.
4. Cutting, welding, or grinding metal in areas of dry vegetation.
5. The use of any steel jacketed or steel core ammunition of any caliber
6. Use of exploding targets that are detonated when struck by a projectile such as a bullet from a firearm
