

Fight for Your Gun Rights in the Utah Legislature!

Numerous Gun Control Bills Becoming Law

Thanks to house speaker Rebecca Lockhart and senate president Wayne Niederhauser, gun control bills like H.B. 27, H.B. 28 S1, H.B. 50, H.B. 121, H.B. 211, H.B. 256, H.B. 321, and S.B. 120 are flying through the house and senate.

Obama & “Message Bills” Hide Real Agenda

Lockhart and Niederhauser want your attention to remain focused on the Obama regime and useless “message bills” they craft, like H.B. 114 S1. Their objective is to keep you too distracted to resist their gun control agenda — or to effectively push important bills like HB 76 (constitutional carry) forward.

False Friends Tell You Smooth Lies

Realize that a fundamental tactic of the anti-gun lobby is to manufacture false friends. Always be apprehensive about those who tell you things you want to hear.

Resistance Means Understanding!

To protect your rights, you need to read, analyze, question, confront, challenge, and understand what is going on around you. Only then can you resist manipulation, deception, and fraud.

UT Gun Rights promotes the right of individuals to keep and bear firearms, competent and confident firearms ownership and use, and political accountability at the state and local level.

It is our natural right to defend ourselves from unjust attacks by any individual, mob, or government. This is self-evident to all but the naïve – and the corrupt politicians and institutions that manipulate them.

We do not support or endorse candidates for political office. If a volunteer/participant supports or endorses any candidate, it should be viewed as his/her personal opinion, and not the opinion of UT Gun Rights. We are all volunteers. There are no paid staff, lofty titles, membership dues, or fees.
